

Wine Shine Ghost Pepper infused brandy from Tin City Distillery. Locally sourced ghost peppers are harvested and rested in Wine Shine neutral brandy creating a unique twist on naturally flavored spirits.

Tasting Notes:

A big burst of flavor opens the senses to a wonderful lingering heat that slowly coats the mouth, subtly fading away to a bright clean finish. This spirit creates a new class of spice driven cocktails and blends seamlessly into Margaritas and Bloody Marys. A favorite of mixologists and home bartenders. Spicy cocktails will never be the same.
